

UCPD Bankers Hill Proposed Meter Consistency Project

Uptown Community Parking District

CHEN RYAN

Figure 1
Proposed Parking Configuration Modifications to Accommodate Fourth and Fifth Avenue Bikeway

Location: The proposed 4 hour zone, (as highlighted by Figure 1 to the left) would encompass 4th Ave & 6th Ave, from Elm to Upas, and 5th Ave, from Elm to Kalmia/Spruce to Upas. 5th Ave between Laurel and Spruce would remain 2-hour time limited parking.

Proposed Scope of Work: As currently drafted, the scope of work would include:

1. Converting four hundred and forty-one meters from 2-hour time limited enforcement to 4-hour time limited.
2. Converting sixty-two-time limited parking signs from 2-hour to 4-hour enforcement.
3. Adding fifty-one new 4 hour meters.
4. Adding nine new 2 hour meters.

Proposed Timeline to Implementation:

July 2017:
Finish all field work and draft full action plan

August 2017:
Schedule meeting/s with city engineer to verify change locations

August 2017:
Outreach to businesses affected by changes.

September 2017:
Present full report, with location, outreach, budget, scope of work, and timeline.

October 2017
Implementation
