Ben Nicholls - Hillcrest Business Association, 619-252-5826

Gerrie Trussell – The Uptown Community Parking District, 619-920-2121

### For Immediate Release

CURBSIDE PICK-UP Coming to all communities in Uptown: Bankers Hill, Hillcrest, Mission Hills and International Restaurant Row (North India at the foot of Washington Ave.) beginning Friday, March 20<sup>th</sup>.

The Uptown Community Parking District is encouraging all businesses in Uptown to work together to incorporate curbside pick-up stations on every block. The business associations in Bankers Hill, Hillcrest, International Restaurant Row, Mission Hills are our partners in this endeavor. We're creating a curbside pick-up option for the customers in all the Uptown neighborhoods. Curbside pick-up stations will be kept safe and follow guidelines and recommendations by using two parking meter spaces in commercial areas.

Council member Wards office is encouraging the implementation of curbside pick-up and will assist in informing residents of this adjustment to services.

We need to consider how to keep our neighborhood small businesses in business.

This is another way parking meters are being used to invest in the communities of Bankers Hill, Hillcrest, International Restaurant Row and Mission Hills.

**About UCPD:** Uptown Community Parking District is a 501(c) 3 non-profit organization contracted by the City of San Diego to manage parking availability in uptown using the parking meter revenue generated in each specific community. The 4 communities managed by UCPD are Bankers Hill, Hillcrest, International Restaurant Row, and Mission Hills. The UCPD Board of Directors meets monthly at the Joyce Biers Community Center in Hillcrest. Information on meeting agendas can be obtained by visiting [www.parkuptownsd.org](http://www.parkuptownsd.org), or by emailing Executive Director Gerrie Trussell at [UptownGerrie@gmail.com](mailto:UptownGerrie@gmail.com)
